

## PRO-MESH VARIO

### Applications

Schools, and boundary demarcation.

### Description

This type of security fencing is one of the most popular Weldmesh fence panel systems due to its innovative and unique appearance: a sophisticated decorative type mesh pattern, with integral 'V' forms.

### Specification

Mesh : panels are manufactured from 6mm horizontals and 4mm vertical wires with the attractive stripe effect formed by a combination of five 150mm x 22mm and two 150mm x 40mm spacings.
