

## ADJUSTABLE RAILINGS

### Client

Blaenavon Ironworks Living Museum

### Location

World Heritage Site,  
Blaenavon  
Wales

### Project Description

To upgrade the appearance and improve security at this World Heritage site, using products in sympathy with the original use of the site.

### Specification

Tubular railings with flexible joints to allow it to accommodate the varied and irregular site conditions. All posts and panels fabricated from mild steel and galvanised and polyester coated black.
