

PLAYSAFE Railings

PCD21

PLAYSAFE meets the requirements of BS: EN: 1176 playground equipment, with gaps not exceeding 89mm and free from any neck entrapments, and is available in a range of over 180 colours. Procter Contracts

PLAYSAFE-BT complements a stimulating environment and has been designed with safety in mind.

Posts: Intermediates, Corners and Ends are available in a wide range of sizes and materials including: RHS and RSJ, with the provision to be stepped or cranked to suit site conditions, secured in concrete (supplied complete with optional two support legs per standard panel for concrete-in fixing) or base plated for surface mounting. All posts come with welded steel caps. A range of post head details available for all railings as an optional extra.

Heights: produced from solid bar in all heights upto 2.4m

Horizontals: available in flat or channel section

Panels: available as standard to 2.72m wide panels welded in accordance with BS: EN: 1722 Pt9. Panels can also be made to suit your specific requirements - straight or curved.

Gates: standard gates are available or tailored-made to suit your requirements. All gates are supplied with adjustable hinges, pad-lockable drop-bolts, multi-holed to suit site conditions and robust pad-lockable slide latches. HYDRACLOSE gates are particularly suited for use with **PLAYSAFE-BT**. See our gate range for further details
